

Lochaber Community Development Association
Minutes of Monthly Meeting
February 12, 2019

Attendees:

Glen Terris, Joanne Campbell, Paul McClung, Carolyn MacDonald, Shirley Hillies, Bev Tait, Tim Cameron, Donnie Cameron and Michele Maceachern

Presentation:

Efficiency NS Clean Foundations Home Warming Program - Jenn Hickey gave an informative presentation on how the program works, how you qualify, how you apply, and left program pamphlets, applications and contact information for any folks who are interested in more information and/or applying for the program.

New Business:

- Scott Beaver, President of St. Mary's River Association will attend our March 12, 2019 monthly meeting to present their Education Campaign on the risks of the proposed Gold Mine.
- Chrystal Fuller, Community Relations Consultant, Atlantic Gold Corporation will attend our April 9, 2019 monthly meeting to do a presentation on their proposed gold project. Chrystal also provided the link to their community newsletter if anyone was interested at: <http://www.atlanticgoldcorporation.com/responsibility/community/>
- LCDA will host a concert on April 6, 2019 at the Lochaber Centre with: In Concert - Hector MacIsaac, Junior Fraser, Glen Aker and Daphne MacLean.
- Michele Maceachern brought forward an idea to establish a Communications Community Corner (CCC) for the Centre. Thanks Michele. A discussion took place and using the back side of the existing Lochaber Centre signage was the best option. Apparently this signage was originally designed to include a place to post community information. There will have to be a bit of work done to the sign to accommodate this use so that the information could be put under glass to protect it from the elements. The CCC will require regular updating so that information is kept current.
- Pickleball - Paul McClung/Joanne Campbell paid a deposit and obtained a pickleball net, floor tape, paddles and balls and have set up two courts in the main hall. Players must wear runners or court shoes when playing the game. Paul/Joanne plan to be at the hall on Tuesday and Thursday mornings at 10:00am for a few weeks to see if there is interest in the game. This game could be set up in the Tennis Court when the weather gets better if the interest is there. Paul will update us with the level of interest at a future meeting.
